

SHERWOOD PARK MANOR

IMPORTANT UPDATES:

Please remember, for community and overnight outings, the Charge Nurse must be contacted 24-48 hours in advance. This is to allow medications, treatments, and hygiene tasks to be completed.

613-342-5531 x103.

RATE REDUCTIONS

If you have not submitted your completed Rate Reduction Application with a 2022 Notice of Assessment, please do so before August end. If your application is received later than August 31st, you will incur financial penalties.

If you need assistance, please do not hesitate to contact the Accounting Office on extension 117.

Please note: if you are currently not on a Rate Reduction, the aforementioned does not apply.

For all of those who have submitted their Rate Reduction Applications, you will see adjustments this month for your new rates. They will be retroactive, back to July 1st, 2023.

Your statements should also be accompanied by a copy of the Rate Letter provided via the Ministry, and the appropriate accommodation renewal contract. Please sign this contract and return it.

WEBSITE

As previously mentioned, our website has been updated. Please be sure to check in with the ‘Resident Calendar’ for activities in the Manor, and regularly check our “News” page for updates.

SHERWOOD PARK REDEVELOPMENT

Sherwood Park Manor’s redevelopment is getting closer to reality. We have a number of items to provide the Ministry Long-Term Care by Friday August 11, 2023, in order to receive an Approval to Construct.

Members of our design team will be heading to Toronto to visit Global Furniture on August 9, to look at furniture options for our new building. We continue to work towards our 5-million-dollar fundraising goal, and to that end we have hired a Fundraising Coordinator starting August 8, 2023, Emily Colman, who comes from Cornwall, Ontario. Emily has been working for the Boy and Girls Club Cornwall and District in a similar capacity.

IMPORTANT UPDATES:

Masking is no longer a requirement within the Manor.

We all ask everyone to still respect the wishes of each individual resident, and to also respect any infection prevention measures that may be applied now, or in the future.

TRIP TO THE BROCKVILLE RAIL TUNNEL

Residents, the Life Enrichment staff, and the entire Physiotherapy Department went on an excursion to the Brockville Rail Tunnel. It culminated with a dinner at the 1000 Islands Brewery.

The Residents had a great time, as did all the staff. A special thanks to all who assisted in making the event happen.
