

## SHERWOOD PARK MANOR

### IMPORTANT UPDATES:

Please remember, for community and overnight outings, the Charge Nurse **must** be contacted 24-48 hours in advance. This is to allow medications, treatments, and hygiene tasks to be completed.

613-342-5531 x103.

### Rate Reductions and New Ministry Rates

It is now two months before we will see the enactment of new rates from the Ministry of Long-Term Care. On July 1<sup>st</sup>, 2024, accommodation prices will increase marginally for all residents. As soon as we receive the new fee schedule, it will be posted in the Manor and will be provided to the Family Council to distribute.

This also signals the annual renewal process for all residents who are currently on a rate reductions. If you or your loved one is on a rate reduction or you believe you may qualify, please contact, or visit the front office for more information. It is **required** that residents intending to continue their rate reduction relief submit a new application annually by July 1<sup>st</sup>.

In order to process renewals and applications appropriately, a 2023 Notice of Assessment from the CRA will be required. If you need assistance completing your taxes, please contact Chris LeClair at extension 126, and he can direct you to the nearest community support.

**Note:** *A resident does not qualify for a rate reduction unless they are admitted into basic accommodation. (ie. Semi-Private, or Private are excluded)*

### The Chicken Dinner, Snoezelen Fundraiser

We want to thank everyone for there generous involvement in the chicken dinner fundraiser for the Snoezelen room in our new building!

250 chicken dinners sold out incredibly fast, and we had to unfortunately turn some away.

This event will be run again at a 'to be determined' date in the near future. So, please stay tuned!

## Redevelopment Update

The access road for the facility has moved to behind the new building and will remain there until project completion.

Currently, the construction team is working to connect the new foundation to the existing building. Further, the block for the stair wells has begun and utility connection work is still underway.

We expect foundation work to continue through the month of May, while looking forward to beginning to progress upwards.

## New Laundry Items

Should you be intending to drop-off new laundry items for your loved ones, the requirements for proper labelling apply. All new laundry items must be bagged and tagged with a label containing the resident's name. They must be placed in the laundry drop-off bin.

The laundry drop-off bin is located inside the front entrance of the building. There is a table/pens provided for writing out the appropriate labels, and plastic bags are situated close by to be utilized. Please make sure your labels are put inside the bag with the clothing.

Thank you for everyone's efforts in making sure clothing is not misplaced or lost.

## IMPORTANT UPDATES:

May 23<sup>rd</sup> will be our annual staff appreciation day!

Service awards will be provided to all applicable employees, along with attendance awards.

Thank you to all staff for another great year of caring for our residents.
