

SHERWOOD PARK MANOR

IMPORTANT UPDATES:

Please remember, for community and overnight outings, the Charge Nurse **must** be contacted 24-48 hours in advance. This is to allow medications, treatments, and hygiene tasks to be completed.

613-342-5531 x103.

Fundraising Contact, Families Past & Present

The Sherwood Park Manor Fundraising Committee will be sending out letters to current and past families with ties to the Manor. This letter should be received in September. This letter will outline the current redevelopment project, our fundraising initiative and the need for funds. After such letters have been mailed out, fundraising volunteers will be reaching out to the respective families to inquire on donations towards our redevelopment via telephone.

The Manor sincerely values every donation we receive towards our future redeveloped facility, and we appreciate everyone's involvement in the fundraising process.

The Chicken Dinner, Snoezelen Fundraiser

The final Chicken Dinner fundraising event for the year is planned for September 19th, 2024. Tickets will be available for sale on-site Tuesday/Thursday each week, and payment can be accepted in cash or credit card; each ticket costs \$25.00.

Come and get your final Chicken BBQ Dinner for the 2024 year! Pickup for purchased meals will run from 4pm-6pm, and there is available seating to eat on-site.

Rate Reductions

Please note, all residents that were required to file a renewal for their rate reductions, are now late. Any resident who has failed to file a renewal application, and is currently on a rate reduction, will be returned to market rates effective September 1st, 2024.

IMPORTANT UPDATES:

As construction continues at the Manor, we ask everyone visiting to respect the nature of the site at this time.

Please give all construction vehicles and machinery the right of way, and refrain from entering any areas denoted for construction.

Redevelopment Update

You may have noticed that our new building is taking shape in the form of a steel skeleton. The steel is almost complete, and the 1st and 2nd precast concrete floors are put in place.

We anticipate the completion of the steel structure and pre-cast concrete placement before September-end. Additionally, the public should be able to see the beginning of framing of the exterior walls.

Resident Events

Residents will be enjoying an on-site petting zoo on September 4th and will be hitting the town for an outing at the Aquatarium on September 30th. September is shaping up to be an exciting month, as we move into the fall season.

Resident Council Week

The week of September 15th is the celebratory 'Resident Council Week'. The Manor will be holding a celebration for our council after the regularly scheduled meeting on September 17th. We want to thank our council for all the good work they do improving the Manor's care of residents.
