AN UPDATE ON STAFF FEEDBACK

I am pleased to share that following our recent check-ins with new staff, the feedback has been overwhelmingly positive. The majority of our new team members expressed great satisfaction with their Corporate Orientation Day, their on-the-floor training, and the support they received from their colleagues.

It is especially heartening to hear that they feel comfortable with their managers and genuinely welcomed into the Sherwood family. This speaks volumes about the culture we continue to build together—one of inclusion, support, and shared purpose.

To all our new staff: welcome! We are thrilled to have you with us and look forward to the contributions you will make as part of our team.

Warm regards,

Nancy Nesbitt-Boucher, Executive Director
